MEMORANDUM FOR : Chief, FI/Administration
Attn: [REDACTED]

SUBJECT : Request of Foreign Claims Settlement Commission
of the United States for OSS Documents

1. I attach a copy of a letter to me from the General Counsel of the Foreign Claims Settlement Commission of the United States, a suggested reply to him for your signature, and documents, obtained from RI, to which the suggested reply refers.

2. Along the lines of our telephone conversation yesterday the reply assumes you will be able to declassify the documents which are presently classified. Note, however, that one of them was classified by the Office of Censorship. The proposed reply to [REDACTED] points out that you have not attempted to declassify this document, but that, from the point of view of SSU, there would be no objection to the Foreign Claims Commission's making the document available to [REDACTED]

3. One document referred to, namely the last one mentioned in the list at paragraph 3 of the proposed letter, is included in a packet of some 30 similar pages involving other persons. This one page alone I would think should be forwarded.

4. These documents have been charged to this Office by RI. Please arrange with RI to charge them to you.
